EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Zev Levoritz on April 3, 2008.

The application has been amended as follows:

In the claims:

a) in claim 1, line 9, please change "holding" to "holding frame".

2. The following is an examiner's statement of reasons for allowance:

The Tsuchiya reference discloses a battery pack comprising: a plurality of batteries "20" each having an oval or oblong cross-sectional shape; a plurality of cell holders "30" each of which accommodates and holds each of the batteries therein with spaces provided outside at least one side face of the battery, each of the cell holders being formed by a rectangular frame having opened side faces that face both sides of the battery, wherein the cell holders that accommodate and hold the batteries are arranged with the opened side faces thereof aligned, at both ends of the arranged cell holders; and end plates "58" that are jointed together with the cell holders as one unit to form an outer case for accommodating the plurality of batteries therein and for forming cooling spaces "50" & "52" outside both ends of the respective batteries and between

the side faces of the respective batteries (See Drawings 1, 3, and 4 and paragraphs [0016],[0019],[0020]). However, Tsuchiya does not expressly teach a space between the top surface of the battery and the top side of the holding frame extending from each connection terminal to the nearest end side of the holding frame or a holding frame that has a rectangular cross-sectional shape in a plane that intersects the top side and side faces of the holding frame.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tony Chuo whose telephone number is (571)272-0717. The examiner can normally be reached on M-F, 7:00AM to 3:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on (571) 272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
